

## Boonville Fair Youth Building Registrations

Event date: Jul 21, 2016

Registration deadline: Jul 1, 2016

All 4-H Members are encouraged to submit projects for public view at the Boonville Fair. In an effort to reduce paperwork for everyone. ALL projects that are to be displayed in the Youth Building must be pre-registered. Projects not pre-registered by July 1st will not be accepted for display or awards.

The information supplied will enable us to determine how many judges and in what categories they are needed.

Pre-registration will also allow us to print out the Exhibitor's Cards ( Eliminating the need for you to hand write them)

New this year is the elimination of the Boonville Fair Exhibitor Entry Statement. Instead of asking youth to write about their project and what they have learned, youth will now meet face to face with an evaluator and explain their projects. *Please review the fair book as some additional information may be required to inform the public of the history or reason for the project.*

### **Face to face judging is planned for July 21st**

### **At CCE Oneida County 121 2nd St. Oriskany NY**

Please review the Boonville fair book to determine what Section and Class your project should go under. If you have questions please be sure to contact the office. 736-3394 x105

Leaders, Parents and 4-H Youth,

Please keep in mind that your projects should be ready to be displayed at the fair.

This means:

- All artwork must be ready to hang. If frames are used they should not be broken, or framed upside down. For a simple mounting technique try attaching the artwork to a piece of foam board. Use a binder-clip at the top for hanging.
- Artwork should be dry ( do not bring FRESH wet painted objects.)
- Projects should be the best of what the youth have done over the past year. Help the youth select their best work.
- If you are submitting a poem. Do not submit it on a piece of lined notebook paper. Take the time to write it or print it on a piece of cardstock then display it nicely. Perhaps put it in a frame or make a scrapbook page or greeting card.
- Public Presentation Posters can be displayed. They will need to be on sturdy backing so they can be hung or propped up on a table.
- Jewelry should be displayed nicely as well. Mount it to foam core or place it in a nice box with cotton.
- Vegetables should be fresh and clean. Read the fair book for more information.
- Food should also be fresh and submitted according to the fair book.

When bringing your projects in to be judged you want them to look their best. Presentation is very important. As parents and leaders it is your responsibility to assist the youth in this endeavor.

**IF for some reason you can't make the judging on the 21st ( kids going to camp) please call Lynette so alternative arrangements can be made.**
